UNDERGROUNDING OF UTILITIES

If you are planning to upgrade, relocate or increase your electrical panel, enlarge your house, construct a new house or accessory structure, or lengthen or add electrical lines to your home or accessory structure, you are required to underground the utility lines to that structure. It is important for residents to have their electrician or general contractor contact City Hall at (310) 377-1521, the Los Angeles County Building & Safety Department at (310) 534-3760 or Willdan Engineering at (562) 908-6200 to discuss City requirements prior to commencement of work. Your cooperation is appreciated.
